

ALL-ROUND

PERFORMANCE HIGHLIGHTS

-POPULAR SHAPE: The most well-received collection of aquatone, the WAVE All-round paddling board collection is the all-time classic designed for all levels of riders. Crafted in the most popular all-round outline, entry rocker and a pin tail, this series is incredibly easy to maneuver even in the hands of beginners. Comes in four different sizes, it takes care of the needs for riders of different height and weight. Comprehensively equipped for leisure paddling, it also features four D-ring connectors on the deck for optional kayak seat, adding another flavor of fun on your trips.

-STRINGER TECH: All aquatone SUPs are equipped with a 13cm wide center PVC stringer construction from top to bottom and on both sides of the board. It enhances the board stiffness significantly comparing to traditional single layer SUPs, while the WAVE collection is solid even in the windy and choppy water.
